

We're really glad you're here.

The Des Moines Art Center is a great place for families to grow a love of art. By following these museum manners, you'll be sure to have an enjoyable visit and help protect the art.

Look with your eyes,
not your hands.

Some art needs a little more
space and may have a line
drawn around it on the floor.
Please stay behind the line.

Leave food and
drink outside.

Please walk.

Want to take a photo? Pictures
are encouraged for the majority
of artworks. If you are unsure,
ask a security officer. Share your
experience with us by using
#EntirelyKids.

**KIDS
BINGO**

Look in the galleries
to find a unique work
of art for each square.

To win BINGO you
must find five
horizontal, vertical,
or diagonal squares
in a row.

Cross the squares
off as you find them.

As an extra challenge,
try “blackout bingo”
and find art for
all of the squares.
