## Spaces available for rent

### MAIN LOBBY AND MAYTAG REFLECTING POOL

**Plated or Buffet Style / 125 people**  
**Stations or Cocktail Style / 200 people**

- The 2,000 square foot lobby, designed by Eiel Saarinen and featuring travertine floors and oak paneled walls, is adjacent to the galleries. The lobby is sun soaked during the early evening hours, by the dramatic floor-to-ceiling windows and doors that provide access to the courtyard.
- The Bookey Family Courtyard features lit trees, a granite reflecting pool, and outdoor sculptures by Carl Milles and Scott Burton, and is surrounded by the architecture of Eiel Saarinen, I. M. Pei, and Richard Meier. It is the perfect space to begin your evening with passed hors d'oeuvres and cocktails or dance the night away underneath the stars.

### TANGERINE AT THE ART CENTER

**Plated or Buffet Style / 50 people**  
**Stations or Cocktail Style / 75 people**

- The 950 square foot café, designed by Richard Meier, has a curved glass wall looking out onto The Bookey Family Courtyard and Maytag Reflecting Pool. This space is ideal for dinner meetings, rehearsal dinners, birthday gatherings, or other intimate events.
- The courtyard and reflecting pool can be used as an elegant cocktail space or a memorable way to serve dessert underneath the stars, without additional cost.

### LEVITT AUDITORIUM

- The 220-seat auditorium is well suited for symposia, lectures, performances, film, or video previews.
- The theater has limited ADA-accessible seating.
- The rental fee includes use of the theater's integrated technology package; however, audiovisual technicians chosen by the Art Center must be hired at the renter's expense.

**All spaces are smoke free. No food or drinks are allowed in the galleries or Levitt Auditorium.**
